PCS West Supplies provides a 'one stop shop' for all domestic and industrial requirements from manufacture to the final installation.

With the focus on gas, woodburners, casters and stoves, supplying the domestic market with a complete range of high temperature insulating materials is at the heart of our business.

**WEST SUPPLIES**

Our excellent cutting facilities and extensive capabilities allow us to cut and machine many different materials and service both domestic and industrial applications. Welding, BCF boards, A52 products, stainless, carbon steels, paper and plaster materials can all be produced to bespoke requirements or production quantities.
